## EXPERIENCE

### Video Editor 2024

Trinet Studios

I worked as a video editor for Trinet and collaborated with other team members. Having holistic knowledge about Premiere and After Effects, I create stunning and Eye-catching animations

### Animations 2023

Freelancer

As a freelance video editor, I specialized in animations and traditional editing, consistently delivering high-quality work that satisfied clients and exceeded expectations. With a passion for storytelling and a keen eye for detail, I honed my skills to create compelling visual narratives.

### Bonycage Clothing

Design Expert

2022

i worked with a Bonycage who I found on Instagram and created designs for them. I ensured the Designs was according to the clients preferences.
